Guide*

Prayer Walk with a
Friend
Month of May

ENJOY YOUR *Travelling*

Look around you as you walk, what do you see? what do you hear? what do you wonder? Pray for the residents, the people in the neighbourhood, their health, their relationships, their flourishing. Pray for the businesses in the area, for their employees, for their economic recovery and thriving. Pray against the grip of addiction and the chains of trauma that bind so many.

Pray for our outreach programs like Willowbuds, Red Cap, Triple P Parenting, the PEACE program, BRAVE empowerment, our Toy Lending Library, Rent Smart & CAP Money Course - that people would gain skills AND experience the love of a faith community that wants new LIFE for them and their families. Pray that hearts would be drawn to explore Jesus. Pray our leaders and more volunteers.

Our vision is to EMBRACE our community and invite them to know Jesus. ENFOLD everyone into the family of the Willows. MULTIPLY disciples, leaders and ministries through innovation and mentorship. How is God prompting you to be involved in offering HOLISTIC care for local families ?

ABOUT THE *Journey*

Ask whoever you are walking with "How are you doing at Loving God and Loving People?" Praise God for the highlights and any recent moments of grace they have experienced this week.

Share with each other a recent area of personal struggle and pray that the Holy Spirit would bring comfort, equipping and transformation.

Pick up a rock and carry it for a little while.

Recognize any particular burdens that you are carrying for others. Describe the burden briefly to your SOLE friend and exchange rocks as you pray for each other. Find a spot to release the rocks back to the ground, marking the end of your prayer time together.
